## Theatre and Dance Educator - Spotlight Theatre Workshop (Newton, MA)

All camps, workshops, and musicals 2023-2025

- Designed and implemented dance curricula and choreography for performers ages 5–17, supporting both skill development and long-term artistic growth
- Taught and directed groups of 30+ students, fostering a supportive, disciplined, and creative learning environment
- Choreographed seven full-length musical theatre productions, collaborating across departments to support storytelling and performance quality
- Supported production, including technical elements, rehearsals, and live performances
